

## **Mission Statement**

We provide leadership and promote excellence in education and life-long learning.

- Champion high-quality public education
- Advocate equity for every learner
- Develop school leaders and other educational team members
- Establish standards that demand excellence and build a solid foundation for lifelong learning, workplace skills and citizenship
- Evaluate program and policy effectiveness
- Share best practices
- Carry out programs with the least administrative burden and cost
- Assist persons with disabilities by providing individualized support and services
- Create a caring workplace that fosters teamwork and personal and professional growth

## **Value Statement**

We promise to greatly exceed expectations. We

- Listen to those we serve in order to improve our operations and adapt to changing needs
- Forge partnerships to improve our services
- Value each employee's contribution to achieving this mission
